REQUEST FOR NEW NON-FINAL ACTION

Sir:

In response to the Office Action dated April 5, 2007, the Examiner is requested to issue a new non-final action and restart the term for reply.

This request is being made because the cited reference, U.S. Patent 6,289,910 to

Zheng, does not appear to be a valid reference against any of the claims 1-8 or 10-12. Among other things, Zheng teaches a very different structure which appears to have no sheet 74 identified by the Examiner.

Accordingly, the Examiner is respectfully requested to issue a new non-final action and restart the date for response.

Respectfully submitted

/Peter C. Michalos/
